

by Antietam Broadband

Mobile Quick Guide

iOS

Ready?

Before you begin make sure you have the following:

- An iPhone or iPad updated with the latest iOS software
- Your Flight Video username and password

Set...

1. Open the iTunes App Store  on your phone or tablet.
2. Search for the Flight Video app and tap Get to download.
3. Once download is complete, launch the app.
4. The first time you launch you'll be prompted to sign in to the app using your Flight Video username and password.

Play!

It's time to start watching your favorite shows. Use the options at the bottom of the screen to change your view.

What to Watch: Browse recommendations. As you choose and watch shows we'll learn what you like and help you discover more.

Guide: Watch shows from live channels, find upcoming shows and schedule recordings.

My Shows: Find all your bookmarked or recorded shows. Tap a show to start watching.

Flight Video needs to be connected to your Antietam Broadband home Internet in order to access your entire video lineup.
