

# Antietam PROTECTION PLAN

Your computer is a big investment. Make sure it is fully protected on all fronts.

Antietam Broadband offers this multi-tiered solution to fully protect your computer and the wires in your home! Visit [www.antietambroadband.com/internet](http://www.antietambroadband.com/internet) for more information!

Stop worrying about Internet security. With SecureIT, we've taken the guess work and risk out of enjoying the Internet by safeguarding your computer. Not only is your computer fully protected from the overabundance of Internet security threats, it is also optimized to provide top-notch performance!

FileHopper Plus provides easy, automatic, and secure backup of your important data, the things that really matter to you. Never again worry about accidental deletion of files, hard drive failure or data loss.

Password Genie is a password manager that saves your website usernames and passwords, eliminates the need to write them down or store them in an unsecure document.

Wire Rx is a maintenance plan that covers the troubleshooting and repair of all TV, Internet, and Phone wires inside your home. Avoid added repair costs on customer-owner wiring!

## FREE 24/7 Tech Support!

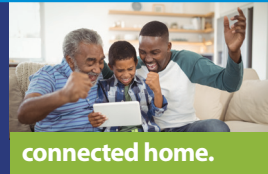

Effective date 12/1/2018. Actual speeds will vary. Factors that affect downstream data speed include: overall network traffic; the computer's performance and configuration; accessing non-cached or cached data; location and configuration of the accessed server; performance characteristics of each component of the data network; the number of users, and all users' compliance with MyACTV's Acceptable Use Policy, available at [www.myactv.net/legal/aup.php](http://www.myactv.net/legal/aup.php). A data usage plan applies to all residential customers, as described in MyACTV's Acceptable Use Policy. Flight Gigabit available in select areas. For full details on our plans and pricing, visit [www.antietambroadband.com](http://www.antietambroadband.com). Products and pricing subject to change.

Facebook or Google+ account required.

## 24/7 Local Tech Support

Professional, Worry-Free Installation - Our trained technicians will set up your WiFi network and make sure all your devices are working before they leave. It's a hassle-free, easy to schedule installation experience!

All wireless network users subject to Antietam Broadband's Acceptable Use Policy, available in the Legal section at [www.antietambroadband.com](http://www.antietambroadband.com). All devices must be within range of wireless network to operate. Customer is ultimately responsible for maintaining network security. Portable performance dependent on device used and speed of mobile network connection. Antietam Protection Plan available for an additional \$3.95/month. You must subscribe to an Antietam Broadband video package that includes a network in order to access that network on Antietam2Go. Applicable taxes and fees, installation and equipment are additional. DOCSIS 3 modem required for Ultra service. Other restrictions may apply.
